OBJECTIVE

Dedicated Front End Developer with experience in JavaScript, HTML & CSS. I turned my interest in front end applications and HTML into a career by returning to college to graduate from UCR Extensions Full-Stack Bootcamp. While there, I developed my skills in HTML, CSS & JavaScript. I am looking to become a part of a company that will allow me to grow and refine my skills.

EDUCATION

The Coding Bootcamp | University of California, Riverside Extension

09/2018 – 03/2019

EXPERIENCE

Order Entry Manager | Protective Industrial Products

12/2016 - PRESENT

Cosmetologist | The Perfect Cut

03/2015 – 09/2016

TECHNICAL SKILLS

- Front-End Technologies: HTML5, jQuery, Angular.js, React.js, Bootstrap & Ajax
- Languages: JavaScript, CSS & SCSS
- Web Frameworks: Node.js/Express
- Databases: MongoDB & MySQL
- Version Control: GitHub

PROJECTS

- BetterHealth: I gained experience in building components that allow users to schedule appointment, as well as, used MySQL to create databases that store patient and medical provided data.
